

**ACDS National Research Network Meeting**  
 Supporting and Growing Australian University Science

**Friday 19<sup>th</sup> March, 2021 (2.30 – 4.30 EA Daylight savings time)**

**Program:**

2.30 – 2.40 PM	<b>Welcome: John Rice, Executive Director ACDS</b>
2.40 – 2.50 PM	<b>Data and case studies to highlight the state of research</b>  The ACDS proposes to start publishing nationally available data, and case studies that reflect the health of university science research, particularly considering the impact of COVID-19, and the funding changes from Job-ready Graduates. We will give an example via a brief presentation, and seek your opinion about what kinds of data, and case studies you think ACDS should analyse and promote.
2.50 – 3.10 PM	<b>BREAKOUT GROUPS</b>
3.10 – 3.20 PM	Report back and discussion
3.20 – 3.30 PM	<b>Graduate Innovation Forum (GIF): John Bartlett, Director ACDS National Research Forum</b>  We will give an update on the Graduate Innovation Forum that ACDS proposes to hold in partnership with ANSTO later this year. We seek your feedback on how best to engage research students in the Forum.
3:30 – 3:50 PM	<b>BREAKOUT GROUPS</b> Discussion: HOW TO ENGAGE HDR STUDENTS IN THE GIF?
3:50 – 4:00 PM	<b>Report back</b>
4:00 - 4:25 PM	<b>NETWORK DISCUSSION</b> Priorities for the next Research Network meetings. Policy issues to feature on the ACDS website
